ness that that is the way the outer world of mankind acts, you will not be so disappointed in the future when you contact it. THERE WILL ALWAYS BE THE FEW WHO ARE THE DIVINE SERVANTS OF THE LORD and there will be the MANY who are the recipients of His Grace. That is just the way it is! However, as the Holy Christ Self is given greater freedom through the outer selves of the people; as their destructive use of free-will is removed and the atmosphere of Earth permanently cleared of so much of the discord of the past, the people will become more and more amenable and receptive to this instruction of Truth.

So, those of you who have chosen to serve us on Earth at this time form a mighty Chalice for the magnetizing of the Violet Flame here. When your inner vehicles are balanced enough; when you have been constant enough; when you have completely transmuted your own human nature through the use of this Violet Flame, *It shall come forth visible and tangible upon your altars!* Then, twenty-four hours out of every twenty-four, some unascended lifestream will have to guard It! Thank you, beloved ones, and good evening!

EXPLANATORY

The references to the "White Order" and the "Black Order" in the address of Beloved Zadkiel have no connection with the color of the skin of any lifestream. They merely refer to the radiations of either light or shadow emanating from the bodies and worlds of those concerned. Do you see?

When mankind first took embodiment on Earth, he had the personal God-gift of the Tube of Light which was a natural protection to that lifestream's energies—not from discord, mind you—because there was none here in the beginning! However, just as the insulation on an electric wire not only keeps extraneous vibrations away from the current within, allowing the current to flow steadily through that wire and preventing its escape into the atmosphere, so did the Tube of Light hold the personal energies of each one around him, to be *consciously* directed forth when desired. That Tube of Light was ignored and neglected by mankind—so it eventually disappeared. For this reason, mankind are held responsible for the discords manifesting in their own worlds for, if they did not *personally create* it, they did *let it in* from others, because they did not protect themselves against it.

THE BRIDGE
TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Volume VI MARCH, 1958 No. 12

To the Cosmic Spirit of the Ascension; To Beloved Serapis Bey and the Brotherhood at Luxor Who guard, protect, sustain and expand Its activity for the benefaction of the people of Earth:

We send Our gratitude for providing a way back "Home" to those children of God who have completed their earthly experiences and have earned the White Garment of Immortality! We, the Great White Brotherhood, Who have ascended through the use of the momentum of this Flame, KNOW SOMETHING OF ITS POWER! We decree that all unascended mankind, imprisoned Angels and every living thing belonging to Earth's evolutions—now and in the future—SHALL ACCEPT THIS POWER AND USE IT TO REGAIN THEIR GOD-ESTATE!

To Beloved Jesus Who, wearing a flesh garment like unto the people He came to teach and serve—We give special gratitude and blessings at this Easter Season, for His Example of a public Ascension, witnessed by hundreds of people and which He hoped would be THE ULTIMATE EXPRESSION OF ETERNAL PERSONAL FREEDOM for all His followers when their Earth's lessons were completed.

To all mankind, slumbering in the mass consciousness of the inevitability of so-called "death" as the end of their life experience here, We offer our Gift of Love—the charging into their worlds of Beloved Jesus' consciousness, feeling and full-gathered Cosmic momentum of the ASCENSION IN THE LIGHT! LET ALL MANKIND FULFILL THEIR REASON FOR BEING and so ASCEND—as Jesus DID! So be it!

The Homes and Retreats of The Masters of Wisdom

ASCENSION TEMPLE—LUXOR, EGYPT

(March 15th through April 14th, 1958)

The Ascension Temple of the Beloved Serapis Bey (Chohan of the Fourth Ray), is located near the ruins of the magnificent edifices builded by Rameses II at Luxor, in Egypt.

The Ascension Flame Itself is a constantly rising current of energy which truly leads to the Father's Throne. Like an escalator, It provides an added impetus to the individual's endeavors to ascend back into their God-estate. This Flame is composed, not only of the actual focus of ascending energy which Beloved Serapis and His Priests brought from Atlantis (before that continent sank beneath the waves of the ocean for purification), but It is also made up of the ecstatic feelings which have been joyously experienced by everyone who has gained his or her personal Ascension.

In addition to these feelings charged into the Ascension Flame, the Seraphic Host gather all the prayer-force, aspirations and up-reaching thoughts and feelings of whatever members of the human race are using the Earth as a schoolroom and literally "graft" this energy into the Ascension Flame Itself.

As the very nature of all the Flames of God is to RISE—unless some Divine Beings voluntarily choose to magnetize, anchor, sustain and expand particular Flames in the emotional, mental, etheric and physical consciousnesses of the people of Earth, the Ascension Flame Itself would long since have arisen out of this physical appearance world—out of the ken of human mind and the use of unascended mankind. Beloved Serapis Bey and the Brotherhood at Luxor have made the sacrifice of remaining here and so sustaining the Ascension Flame in the Temple at Luxor to provide a way

back "Home" for all unascended lifestreams, when they have earned the right to Its use by purification of all the energies of their lifestreams; thereby fitting themselves to dwell in the Ascended Masters' Realm. It is, therefore, strongly recommended to the Gentle Reader that he or she not only honor the Ascension Flame, but give daily gratitude to Beloved Serapis Bey and the Brotherhood at Luxor for providing, protecting and sustaining this way back "Home" by Their voluntary exile here—in a Realm from which They long since have earned the right to be eternally free!

A conscious, dignified Ascension into Light—in full control of all one's consciously transmuted faculties of mind, soul, feeling and flesh—is the *natural* God-intended goal of all physical embodiment and the reason for which all physical experience is endured. Decreptitude, disintegration, disease, old age and ignominious "death" are not the NATURAL activity of LIFE!

In the early ages, before the contamination of Earth's people by the shadows of the laggards brought here from other Stars, the Ascension was accomplished consciously and beautifully by every individual—after he had completed his cycle of Earth embodiments —spending some time on Earth during each of the seven two thousand year periods which make up the Cosmic Cycle of each fourteen thousand years. On other Planets belonging to this System and in Superior Systems, such a glorious Ascension in the Light is presently utilized as the altogether NATURAL culmination of the individual's experiences because, on those Planets, there is no discord or disintegration of any kind. This CONSCIOUS Ascension into the Ascended Masters' Realm has been all but forgotten by the masses of the people of Earth. The Ascended Master Jesus Christ came to remind the outer consciousness of mankind of their Ultimate Destiny and was the living example for them to follow. Unfortunately, during His life and in the centuries since His Ascension, most people have considered Jesus' Example as a unique expression of Mastery—forgetting His statement: "The things I have done shall ye do also—and greater things than these shall ye do. . . ."

Beloved Jesus, His Holy Mother Mary, John (His disciple) and Others before and since Who have achieved the Ascension, had the assistance, instruction and radiation of Beloved Serapis Bey and utilized the full-gathered Cosmic momentum of the Ascension Flame to achieve this so-called "miracle" of over-coming "death".

Because Beloved Serapis Bey is required to teach the chelas how to transmute their own lower natures and purify their emotional, mental, etheric and physical vehicles preparatory to making the Ascension, He has been feared by many earnest chelas who

unconsciously enjoy the feelings radiating from the causes and cores of certain human discords which are buried deep within their own inner and physical vehicles (which radiations eventually lead only to disintegration!). Let the chelas be assured that Beloved Serapis is a Lord of Love and His ONE PURPOSE IN LIFE is to actually free every individual upon this Planet and all Who are to come here in the future, from the recoil of those impure causes and cores of limitations and disease and their inevitable effects of distress of body, mind, soul and affairs.

When a lifestream in embodiment upon the Earth has so served and purified himself enough—so that he is ready to be prepared for the Ascension, that one is singled out from the masses by the Brotherhood at Luxor as one who can be given more personal assistance by Them. From then on, the sometimes "trying" experiences through which such a chela must pass are really initiations prepared and assigned by Serapis Bey for that lifestream—to bring about whatever transmutations of his lower nature are necessary to enable him to gain the Ascension at the close of his present Earth-span. Because these experiences do not actually take place within an Ascended Master's Retreat, the chela does not recognize that it is a real initiation and is often discouraged by the tremendous weight of his own personal karma which is being directed back into his world for transmutation by the use of the Violet Flame and other purifying activities of the Sacred Fire. When such is the case, at your call, Beloved Serapis can and will mitigate the presently returning destructive karma. However, *all destructively qualified energy of each lifestream must one day be transmuted* either here on Earth or, in the case of those who have earned the beneficent assistance of the Dispensation which allows them the Ascension at the close of their present embodiment (because of unusual selfless service in freeing life here)—these are sometimes permitted to transmute whatever remains of their discordantly qualified energies at Inner Levels of consciousness, *before the Ascension can take place.*

You see, everything acts under Divine Law—especially where the Spiritual Hierarchy is concerned. When an individual applies for the privilege of gaining the Ascension *in one given embodiment,* that one must be accepted as a neophyte upon the Spiritual Path. When such an one signifies that he desires a respite from the rigors of quickly transmuting a great deal of destructive returning karma, that one is given such a rest. Therefore, please do not feel that the Beloved Serapis and the Brotherhood at Luxor ever "try" a chela beyond his individual endurance, for this is not the Law of Love by which They live and serve. Exactly as some

students in school ask for permission to complete several years of learning in one and are allowed opportunity thus to prove whether or not they are capable of successfully mastering such added study and application, so is the chela who asks for the opportunity to gain his Ascension *in one embodiment*—given permission to try to achieve the purity of body, soul, mind, feelings, words and actions to qualify him or her for the speedier attainment of his Goal.

Beloved Serapis well knows that many of those chelas who apply for the privilege of finishing the round of their Earth lives by gaining the Ascension in one embodiment, are not really ready for the rigorous initiations which result in transmutation of the lower nature. However, because He is a Lord of Love, He allows all who so apply opportunity to qualify for this magnificent accomplishment. Nothing good achieved by any chela is ever lost—REMEMBER, beloved ones! So—even though many good and earnest ones in the past have applied to Beloved Serapis Bey for the opportunity to make themselves fitted to dwell in the Ascended Masters' Realm but at that time were not able to successfully complete their initiations, they left Luxor, temporarily renouncing the disciplines thereof. Yet whatever they there individually accomplished will make it much easier in a succeeding life to continue to the point of "graduation" from this Earth into the Ascended Masters' Realm.

As has been described in previous issues of "The Bridge to Freedom" (see note below) every Candidate for the Ascension, whether ready for this transition into the Realm of Perfection or not, must stand in the presence of Serapis Bey (usually in their etheric body at night while their physical body sleeps). He then externalizes the aura of each such an one and carefully and lovingly prepares those initiations which will help such a Candidate in the process of transmuting his lower nature. Then He assigns such a Candidate to a Brother or Sister from Luxor Whose obligation is to provide the OPPORTUNITIES (NOT punishments!!) so that all of the earnest Candidates (if they persevere) CAN ACHIEVE THE ASCENSION IN THE LIGHT. Many of Us have had the loving guidance of Serapis Bey and His Brotherhood and have truly gained the Ascension through Their assistance. Believe Us when We say—HE IS TRULY A LORD OF LOVE!

EL MORYA

MONTHLY LETTER TO TRANSMISSION FLAME CLASSES

March 15, 1958

BELOVED CHILDREN SEEKING THE ASCENSION IN THE LIGHT:

How I love you for even desiring that Ascension, which is your own Ultimate and Divine Destiny! As We meet at Luxor, I decree that all fear and distress in your etheric and emotional bodies, particularly, (resulting from past and temporary failures to achieve the Ascension) *shall be removed* and you shall *joyously and happily* meet Our Great Hierarch, Serapis Bey and The Brotherhood at Luxor. I shall hold you in My COMFORT FLAME to help you so to do!

Quite naturally, all of life loves the joyous, buoyant, raising feeling of the Ascension Flame and so the millions of Elemental Beings which I protect, guide and direct, enjoy the assistance of this Flame's activity. Of course, all the elemental life which you personally have imprisoned all through the centuries of your Earth embodiments when you used your God-given gift of free-will destructively, shall now have opportunity to be purified and redeemed by the use of the Violet Flame and then by this glorious Ascension Flame and Its Divine Guardians.

The desire to achieve the Ascension is inherent in every lifestream which has fallen below the natural state of harmony, love, peace, comfort and perfection. As the soul matures, this innate desire makes itself known to the outer self. Then do We rejoice indeed.

Luxor has been the scene of so many Victories in the past and will be the foci for so many Victories in the future. Please accept that glorious sense of accomplishment and victorious God achievement which is the ESSENCE of the Ascension Flame!

Love and blessings,

MAHA CHOHAN

An Address by
BELOVED ARCHANGEL ZADKIEL

(Note: Since the first part of this address appeared in the January 1957 issue, may we suggest that our Gentle Reader review the preceding pages therein before beginning the following. This will permit a better and more complete understanding of the entire address. Thank you.)

Naturally, the Source of every Ray, Flame and virtue is the Heart of God! In the case of this Universe, the Beloved Elohim Arcturus and His Twin-Flame Diana drew that Violet Ray and Flame from the Sun of this System in the very beginning of the creation of this Earth, making It available for use on our Earth to Beings at Inner Levels Who were serving the Planet and Her evolutions. Then, through the process of "stepping down" Its vibratory action and power, that Violet Ray and Flame were made available for Us to use *in any Sphere* where They would be consciously called forth by any and all who sincerely desire Their beneficent assistance.

However, here is the point We would like to make:

The Ray strikes downward to the point where the call has gone up—where the magnetic pull of energy consciously invokes It; then, beginning the return to Its Source, that Ray becomes a Flame which rises upward because, as has been said so often, IT IS THE NATURE OF THE FLAME ALWAYS TO ASCEND! Inasmuch as LIGHT IS LIFE—God's Own life—the substance of the Ray and Flame which have come forth as the result of someone's conscious invocation,—that light is the very life-essence animating any Project or Activity. That is why so many good "Movements" of a spiritual as well as of a secular nature cease to have life when the magnetizing lifestream in physical form takes his or her departure to Inner Levels in so-called "death". As a rule, the followers of the doctrine which that one had magnetized do not fully understand this power of invocation and its use and so they accept and use the harvest which was the result of the magnetization of the Ray by the Founder of the "Movement" and the establishment and sustenance of the Flame by that one. Usually, such followers do not undertsand that that Flame must be rhythmically called forth and nourished by daily application. Otherwise, the Flame will ascend right back to the Father from Whom It came and the sustaining power of the Activity, therefore, ceases to be in this octave.

When you want the Violet Fire of Freedom's Love, Mercy and Compassion to act in the physical appearance world, you invoke It in the Name and Authority of your own God-self—your own individualized "I AM" Presence. The Violet Ray and Flame

have become more and more powerful as They have been called forth all through the ages—in every Sphere, by every Divine Being; as well as by the nourishment of Those Great Beings Who have served and drawn forth this Ray and Flame right here on Earth (including the Great Sanat Kumara Himself). At your call, *that Ray and Flame will answer you instantly because the Immortal Three-fold Flame of Eternal Truth which lives right within your own beating heart is the Divine Magnet which the Violet Flame lovingly desires to obey!* Then that Ray immediately becomes a living Flame and begins the process of ascending. This again represents the dual activity of centripetal and centrifugal force.

Now, to sustain the Violet Flame in this physical appearance world, there must be self-conscious lifestreams to act as magnets for this Flame, with willing minds and hearts and an understanding of the efficacy of this application. These lifestreams should *continue joyously* to draw that Flame and rhythmically bathe the physical, etheric, mental and emotional vehicles of themselves and the entire race in that Violet Fire. Thus they sustain Its action here in Earth's atmosphere.

Great Opportunity Now for Use of Violet Fire

In these days when the activities of the Seventh Ray are so much in evidence and the reign of our Beloved Saint Germain as Chohan of the Seventh Ray has already begun, you have great opportunity to call forth this Violet Fire into this physical world around persons, places, conditions and things where it is most surely needed! To have the most efficacious use of this purifying activity of the Violet Fire, I am going to try to bring to you today a realization of the importance of RHYTHM in your use of It. It is better to use the Flame for shorter periods at a time and not to stay at it too long. It is much better to call It forth more often, for shorter periods at a time, in a RHYTHMIC activity as We have suggested to you time after time. Set aside some uninterrupted time each day—if only five full minutes at a time—(say three times a day—morning, noon and night) to invoke that Violet Flame—calling for It to blaze up, in, through and around you; at that time giving conscious recognition to the Great Beings Who serve It and Who have sustained It all through the ages by the gift of Their Own Life. FEEL ITS ACTIVITY in, through and around you—then expanding out into the world about you which requires it so much. If you will do this, not tiring of the exercise or considering it a chore, but *with a consciousness of joyous gratitude for the use of this merciful transmuting power* which is yours as a glad free gift of love from your Heavenly Father (your own individualized "I AM" Presence), there is no reason why this

Violet Flame cannot be externalized in this physical appearance world, visible and tangible to the physical sight of all that sees.

On Atlantis, long ago, we did externalize a gigantic focus of this Violet Fire and It's radiating Flame was seen by the physical sight of all for a distance of a thousand miles in all directions! Of course, this was done before the radiation and followers of the "Black Order" descended upon the disciples of the True Way and destroyed the Priesthood through the imposition upon the consciousnesses of the people of skepticism, fear and various negative qualities. While this Flame was visible there, Beloved Amythyst (My Own Divine Complement) and Myself, or some Priest and Priestess of the Violet Fire from the Divine Realms, stood with arms raised and invoked that Violet Ray until It appeared right here on the physical surface of Earth as a gigantic pillar of Flame.

In order to keep that purifying activity of the Violet Flame in Earth's atmosphere, It had to be *consciously called forth once every hour* during each twenty-four hour period. If this had not been done, there would not have remained enough Priests and Priestesses true to the "White Order" to have made it possible to transport to safe locations on the Planet the other concentrated Flames of various God-virtues from the Island of Poseidonis, which was the final remnant of the Continent of Atlantis to sink beneath the waves in a cataclysmic action.

Avoid Tension in Application

Beloved ones, the use of the Violet Ray and Flame IS SO PRACTICAL! We see that there is often quite a tension manifesting in your outer consciousness when you have endeavored sincerely to magnetize a Divine Quality and Virtue to act in your world and your endeavors have extended over quite a period of time. Sometimes these Qualities do not manifest for you as quickly as you would like and you find your outer nature is not outpicturing this which you so desire and for which you have been calling for so long. I implore you—PLEASE do not allow those feelings of fear, doubt and discouragement to remain in your world and to register within your etheric bodies (memory worlds) because, in essence, they are really DOUBT OF THE TRUTH AND EFFICACY OF SPIRITUAL LAW!

The moment you become tense in your application or the moment you sense within yourself a feeling of strain in applying the Law, that moment your feeling world has questioned the ABSOLUTE SCIENCE OF THE MAGNETIZATION AND RADIATION OF THIS FLAME. If this occurs, just let your application alone for a while—turn your attention to something else. Later, when you have quieted your feelings again, call upon

your Ascended Master Friend of Light (whichever One or more of Us you desire) and ask that One to give you HIS FEELING OF THE EXACT SCIENCE AND ABSOLUTELY UNFAILING LAW which is within the magnetizing and radiating of this Virtue of Freedom! Believe me—YOU WILL RECEIVE THAT FOR WHICH YOU ASK! Be still for a moment, however, AND WAIT FOR THE MASTER'S FEELINGS to flood your own emotional bodies (feeling worlds). You see, it is the TRYING TOO HARD —the striving—through over-conscientiousness (in essence) which delays so much of your manifestation.

Now, some of you have chosen to magnetize Virtues which, through an honest introspection in the private chamber of your own heart, you have found were lacking in outer manifestation in your world. That is very commendable, indeed. The average person usually chooses to do the thing he likes the most and turns away from that at which he is not proficient. For instance, it is easy for the musician to play because it is a natural talent in his lifestream and he loves to do it. The aeronautical pilot likes to fly and individuals who, for ages of time, have builded momentums in the Causal Body of the God-virtues of peace or healing, love to rest comfortably within the magnetizing and radiating of those Virtues which, to all outer appearances, are really a natural release of that lifestream. However, in order to become a well-rounded individual—completely master of all the substance and energy of one's whole lifestream, it is much more commendable for one to *choose to magnetize and radiate a Virtue which is not already a manifest part of his personality.* To those who will so endeavor to "round-out" their lives shall be given added assistance from Our Realm.

Consciously Put Your Faith in God's Unfailing Law

Dear hearts, Beloved Saint Germain and I have talked together so often on just how—in the most efficacious way—We could present to you THE ABSOLUTE UNFAILING LAW of the USE OF THIS VIOLET RAY AND FLAME, so that you can and will use It with faith, confidence and certainty, as do the Ascended Hosts of Light—right here in this physical world. Every time We come to you, We bring a concentrate of that Violet Fire with Us and, during the time We are with you, you are buoyed up to a certain extent by the feelings of OUR CONFIDENCE IN ITS REALITY AND USE; some of the substance of that Ray and Flame remaining permanently in your worlds. However, when you return again to the experiences of your daily living and the limiting shadows of human creation seem still to appear in your own experience, it seems difficult for most of you to stand alone

with your God, judging not according to appearances, giving all power to the transmuting activities of the Violet Fire of Freedom's love to remove those shadows, letting that Violet Flame replace them by Perfection's light. THE VIOLET FIRE ALWAYS LEAVES A RESIDUE OF ITS OWN SUBSTANCE OF DIVINE LOVE wherever It passes through.

THINK! JUST WHERE ARE YOU PLACING YOUR FAITH? Where are you allowing your faith to abide? Where are you placing the power (which is really YOUR OWN LIFE)—in the appearances which plague you; in the appearances which displease or in Almighty God and His Virtues and Rays? These are as available to you at your conscious call as the air you breathe, the water you drink and use for bathing purposes and the Earth which you use as a platform beneath your feet. Did not Beloved Jesus say: "For *everyone that asketh*—receiveth. . . ."?

The Violet Ray and Flame are tremendous momentums of God-power! Perhaps you will remember that the Beloved Sanat Kumara was the very first Chohan of the Violet Ray to this Earth and our Beloved Kwan Yin (Goddess of Mercy) was One of Its Chohans also. Beloved Saint Germain, long before His Ascension in 1684, knowing of the conditions upon this Planet and realizing the tremendous necessity for the purification of the energies of the Planet and Her evolutions, volunteered to have that Violet Ray really grafted into His Own heart. Thus He came into embodiment, century after century, as the most powerful concentrated radiating center of that Violet Ray and Flame until the very places where He lived and everywhere He moved, the scent of violets was clearly discernible and Rays of Violet Fire energy drove into the actual substance of Earth. I can tell you that, when mankind have ceased to feed their various differences, individual, national and international; when the surface of Europe is cleansed of the distressing wars and "blood baths" which have been perpetrated there, (this impurity not only upon the *surface* of the Earth but *within Its substance* also), man will find that every place where "The Wonderman" of Europe walked, there are deposits of the amethyst jewel. One day these will be found by those embodied here and utilized as talismen of the Virtues of Freedom and will be carried from wherever they are found to places all over the world.

Even in this country, every place where our Beloved Saint Germain has walked, there are deposits of the magnificent amethyst—Divine deposits created by His invocation of the Violet Fire into those localities; His love for the Violet Ray and His constant and absolute devotion to It. Wherever the jewels of the Violet

(*Continued on page* 17)

THE MASTERS OF WISDOM SPEAK

(ON: THE GLORIOUS PRIVILEGE OF SELF CONSCIOUS REDEMPTION OF IMPURE ENERGY)

MAHA CHOHAN:

Let us remember that all life is voluntarily drawn forth from the body of God (the Universal "I AM" Presence) by self-conscious intelligences who desire to manifest as individual expressions of Deity in any sphere into which they fit themselves to dwell and serve. In its primal state, this life is pure, perfect, beautiful and all powerful, because *it contains within itself the nature of Its Donor* (the Universal "I Am" Presence).

From the time of individualization, each self-conscious intelligence is *personally responsible* for his or her use of that life—through the use of free-will and his own creative faculties of thought, feeling, spoken word and action—moulding it into constructive or destructive manifestations. When such a self-conscious intelligence uses his free-will in a destructive manner and produces discord, he then begins to create the long chain of karmic ties and comes under the Law of Cause (his own) and Effect.

The Law of Karma requires that each such intelligence personally redeem all the life he has mis-qualified. This is the glorious mercy of the Law which is taught by My Sons—the Ascended Masters Saint Germain and Serapis Bey. These Masters show the individual how to redeem past and present errors (made by them personally) by the removing of the causes and cores of discord from the four lower bodies through the rhythmic use of the Violet Transmuting Flame and other activities of the Sacred Fire. Thus they set themselves free from the results of their own mis-use of life. Particularly during this thirty-day period do I recommend to you the advisability of consciously asking your Sponsor from Luxor to help you in this happy activity . . . the redemption of your own destructive karma and the humanitarian service which you can render, of redeeming the destructive karma of the Earth and all Her evolutions.

EL MORYA:

The first step on the Spiritual Path of each honest, earnest and sincere chela is to accept that the *causes and cores behind all his distresses were set up at some time by himself* and that the *effect* is a result of such mis-deeds in the past. Many self-righteous individuals refuse to accept the responsibility for having been the cause of their present limitations and they, of course, are not ready for the process of joyous redemption of destructive karma. Instead, they prefer to brood over the seeming injustices inflicted upon them and, with these people, We can do nothing but wait in patience until they can and will accept full responsibility for their own unhappy estate; then ask for Our help to extricate themselves from the limitations that plague them. There are rare instances, however, where very strong chelas voluntarily accept the destructive karma of others and offer (at Inner Levels) to redeem it.

The Lords of Karma allow such individuals to assume this task *only* when They see that the chela has the strength, tenacity of spirit and momentum of redemptive power required for this almost super-human task! Beloved Jesus was One of such Chelas and, in the present day, those chelas who have been acquainted with the use of the Violet Flame of Mercy and Compassion are also, in a lesser degree, helping in the mass redemption of the destructive karma of the Race. The important *feeling* required by each chela who serves in this redemption of destructive karma is *joy* for opportunity to set life free. When resentment, rebellion, self-depreciation and condemnation enter the feeling worlds of such chelas who are carrying more than their share of the "cares of this world," the Lords of Karma, in mercy, relieve such chelas from this task and look for others willing to accept and perform this service.

KUTHUMI:

Redemption of discordantly qualified life, whether it is manifested as discord, disease, limitation or distress of any kind, means merely restoring that life to its natural estate—PERFECTION. There is nothing occult nor mystical in this process. The chela merely has to know how to call to the Spiritual Hierarchy and the particular Flames and Rays which the Great Ones, at your call, then will direct into any person, place, condition or thing requiring redemption. Then the chela must constantly and faithfully continue his calls until that redemption actually has taken place.

The efficacy of the "redeemer" is determined by his faith in the power of the "I Am" Presence and the Spiritual Hierarchy to answer his calls and by his constancy of endeavor until the mis-qualified energy is redeemed. There is no such call that is not answered if that call is continued until its ultimate effect is mani-

fested. The constancy and persistence of the chela engaged in such redemption determines how efficacious he is in this service. Truly, as My Brother Jesus said long ago: "Many are called, but few are chosen".

PAUL, THE VENETIAN MASTER:

The *true* "redeemer" of each lifestream is, of course, the Holy Christ Self which dwells within each one's own beating heart. When this "redeemer" is allowed self-expression through the four lower vehicles (emotional, mental, etheric and physical), Its first activity is to quicken the vibratory action of the cells and atoms which make up these vehicles. Then as the outer consciousness becomes aware of, consciously accepts and uses the Violet Transmuting Flame (daily and rhythmically), then the mis-qualified energy which has lodged between the electrons in the atom is thrown off into that Violet Fire and purified.

We Who serve on the Third Ray do all We can to encourage and assist the quicker manifesting of the Holy Christ Self through the outer personal consciousness of all the billions of lifestreams presently using the Earth as a schoolroom; as well as those "guardian spirits" who came from other Stars so long ago to assist the people of Earth and have become temporarily enmeshed in the distresses here. When the individual can and will recognize that his "Redeemer liveth" RIGHT WITHIN HIMSELF, that one can help Us considerably in allowing that "Redeemer" (Holy Christ Flame) full freedom to expand and quicken the vibratory action of his lower vehicles, transmute his personal karma and then, in love, serve by helping in the redemption of the mass karma of the race.

SERAPIS BEY:

During this thirty-day period, I have appointed one of the Seraphim from Luxor to be the Sponsor for each chela who has applied for the Ascension in this embodiment and who has offered to help in this redemption of all imperfectly qualified energy which shrouds the planet Earth and most of Its people at this time. The activity of the Seraphim will greatly increase the feeling of joyous enthusiasm, constancy and endeavor upon the part of such chelas to continue in their service until the Earth and all Its evolutions are free of every limitation.

These Seraphim are very real Beings Who, for ages of time, have witnessed over and over again the restoration of mis-qualified life back into its perfect estate. Therefore, Their feelings of the actual certainty of accomplishment are a mighty sustaining power

which will help the unascended chela to move forward more quickly to his or her own victorious accomplishment! Please accept the loving assistance of the Seraphim while you are Our guests at Luxor during this thirty-day period particularly; *as well as through all the rest of your Earth-span!* The Seraphim live but to serve and, under My direction, They are your Servants of Light Who can and will give you help without limit at your conscious call, helping you to fulfill your vow to set all of Earth's imprisoned life free from limitations of every description! PERSEVERE!

HILARION:

Divine Alchemy; transmutation of substance; redemption of discordantly qualified life energy—each of these is an EXACT SCIENCE! It is as exact and unerring as the Law of Mathematics. They have nothing to do with personality, partiality or "favor". All substance is intelligent life—whether it is manifesting at a discordant rate of vibration in the Astral Realm which is Earth's atmosphere at present (where the cause and core of the distress has been set up—although invisible to the average physical sight); or in the world of form where the distressing effect is quite visible and tangible! Through the use of the Divine Fire of Purification, this substance can and does respond to self-conscious intelligent direction *and the atoms will as quickly respond to positive commands to express perfection* as, in the past, they obeyed the commands of thought, feeling, spoken word or action to create discordant expression.

No imprisoned life (living below the natural state of harmony and perfection) is happy because the inherent intelligence within that life *knows its natural estate is beautiful and perfect!* Thus imprisoned life will literally "leap" forward into freedom when the command for its release from distress is given with God-authority, by the use and in the Name of the "I Am" Presence! *If the chela can and will accept the fact that life is willing and eager to obey such commands to express perfection, such a chela can, without tension, work with life intelligently, impersonally and happily!* If the chela believes (in his feelings particularly) that life will resist his endeavors and thus choose to remain in limitation, the efficacy of such chela's endeavors is greatly diminished. EXPECTANCY of response is essential to performance of redemption, beloved ones!

JESUS:

I was born without personal karma of a destructive nature. Thus, I had the advantage over many earnest chelas who serve now as "redeemers" of the Earth's discord. Therefore, to each

such sincere lifestream who yet has not fully redeemed his own destructive karma, I offer My full-gathered Cosmic momentum of the redemptive process which I used to set life free during My final Earth life. Those who will consciously use the power of My Name (the Ascended Jesus Christ) and use My Ascended Jesus Christ consciousness WHICH HAS ALREADY OVERCOME THE WORLD, have been, in the past, and shall continue to be able to control and redeem so much of the discords of the outer world. Ask Me to help you so to do. I shall answer you—joyously and INSTANTLY!

SAINT GERMAIN:

We have now entered into the Age of Redemption! Earth shall now become "Freedom's Star"! All Its attendant evolutions shall know complete and eternal freedom from every distress! Every Cosmic Being, Ascended Master, Seraphim, Cherubim and Member of the Angelic Host (assisting Earth's evolutions at this time) is helping in this redemption. Also, through the kind and co-operative service of My unascended chelas in the world of form who are making the calls for such redemption, this process is being tremendously hastened and I am so grateful to all—Ascended and unascended Beings—who are helping Me to make the Golden Age of Freedom manifest here on Earth! *Please accept My feeling*—gained through many centuries of experimentation with the requalification of energy, particularly through the use of Violet Fire—*into your own feelings!*

I promise you that, as soon as the Law will permit, I shall give you visual aids which will impress upon your consciousness through the outer senses, the way in which the use of the Violet Flame actually does raise the vibrations of shadowed (mis-qualified) energy—raising it into the vibrations of pure light and thus setting it free from discordant appearances. This allows that energy freedom to act in its natural estate—PERFECTION! PLEASE DO NOT FEAR HUMAN APPEARANCES OF ANY KIND! Released by your own Beloved "I AM" Presence at your call or by Divine Beings to Whom you call in addition to your Presence, *the Sacred Fire is much more powerful than any human appearance or accumulation of them—even so-called "death" itself.* Beloved Jesus proved this—in actual physical manifestation! YOU CAN PROVE IT TOO!

Remember! All imprisoned life WANTS TO BE SET FREE and you will have the full co-operation of this imprisoned life when you desire to set it free, as well as Our full co-operation in such activities also. Then—be NOW "about your Father's business"! *I shall be with you—every step of the way!*

BELOVED ARCHANGEL ZADKIEL—(*Continued from page* 11)

Ray have come forth in commercial pursuits, some member of the Order of Zadkiel had a Temple in that place at one time or another and had utilized the vibratory action of the Seventh Ray there. So, the people who wear the Amethyst jewel upon their person are really using the condensed energy of prayer force, invocation, power and magnetization of the Priests and Pristesses of the Order of Zadkiel. Every individual who has personally benefited from the commercial sale of this life essence (the amethyst), owes to the Order of Zadkiel a certain balance in service to life for the profit which they have created from the use of the energies of the Brothers and Sisters of the Violet Ray—condensed in the form of this jewel.

In the days and years ahead, when the greed and selfishness of mankind have been removed completely, cause, effect, record and memory; when each lifestream is anchored within his own heart-flame and he is able to magnetize and radiate the substance required to precipitate the food, clothing, housing and general sustenance of the body; when there is no longer any fear of lack, these magnificent jewels which are now held within Virgo's Own body will be released again into the use of mankind. Then they will be used mostly to adorn the Temples or as foci (talismen) to magnetize more of the Virtues of the Seventh Ray from the Godhead. The great gold deposits now safely kept secret will also be released for the use of all—not so much for personal adornment but to use in many, many ways to bring forth the beauty and perfection here which will make our Planet like unto the Kingdom of Heaven—that perfection God created here in the beginning and which He desired to have sustained forever.

Violet Fire Also Active at Inner Levels

At Inner Levels of consciousness *below the Perfected Realms,* just what does the Violet Fire do—and what is the service of Its Ministering Angels? As you have been told, there are limitless Legions of Angels of Mercy and Compassion (Qualities of Violet Fire) Who give as much service as They can in the Astral Realm. This is the Realm which constitutes most of the Earth's atmosphere—in the past and up to this time, for that Realm extends out from the Earth about ten thousand feet. In this Realm abide the destructively qualified thought and feeling forms, created and released by mankind during embodiment here and, until a year or so ago, souls who had passed from physical embodiment but, because of certain

magnetic attractions to the discords of Earth through habits of thought, feeling, spoken word and deed of a like nature, were often bound in this Realm for long periods of time. This condition, as you know, has now been remedied and no soul is allowed to remain in Earth's atmosphere after leaving the body. They are taken directly through to Inner Levels where they are assisted in gaining their freedom more quickly. This is one of the tremendous mercies of the Great Cosmic Law which has been recently made possible during the last few years in particular by the calls from unascended mankind for the use of the Violet Transmuting Flame and other activities of the Sacred Fire.

Today there are no discarnate souls allowed to remain in the atmosphere of Earth. Now, as a soul leaves its garment of flesh in what the world terms "death", that one is met by certain Angels who render that service. These souls are then taken (I am speaking of the masses of mankind now who know nothing of the use of the Violet Fire as you do) to the River of that Violet Flame (spoken of in mythology as "The River Styx"). This "river" has been provided at Inner Levels for the purification of those lifestreams from as much discordantly qualified energy as possible, before either going to the "Sleepers' Realm" (if they need that rest) or before appearing before the Karmic Board to receive their assignments of study and service at Inner Levels between embodiments. You see, this Astral Realm, which at present extends around the Earth up to about the ten thousand foot altitude, is that Realm in which the outer bodies, minds and feeling worlds of Earth's evolutions abide. Therefore, you can easily see that these Angels would be very, very busy every moment of the twenty-four hours as you count time.

This river of Violet Fire of which We spoke above has been drawn forth by Those Who serve the Seventh Ray according to the same principles which We described to you earlier in this address—the drawing first of the Ray through invocation to the Godhead, in the Name and Authority of the creative word "I AM"; then as that Ray reaches the destination into which It was called forth, It immediately turns upward in the living Flame activity, as It returns to Its Source, completing the circle of Its existence. As this invocation is rhythmically continued day after day, year after year and century after century (in the case of the Angels Who have drawn this River of Violet Fire), this Ray and Flame become very, very powerful and expand in size until they become a veritable "river" of this merciful, purifying, freeing essense, into which the evolutions of Earth may be taken between embodiments for as much purification as possible. This "river"

has been sustained by the constant, never-ending, rhythmic calls of these Angels at definite periods during the twenty-four hours.

The beauty of this Violet Fire River is indescribable; therefore Its appearance does not frighten these souls who have passed through the change called "death" when they are invited to step into It and bathe in Its substance. This Violet Fire then dissolves much of the causes and cores of the physical distresses of the individual's past Earth-life, especially those which caused their recent demise.

Legions of Violet Fire Angels surround the Halls of Karma as the soul who has just been released from an Earth life is called to appear before the Karmic Board. These Angels provide an atmosphere of purifying Violet Fire there so that every soul who, as he appears before the Karmic Board, must pass through Their radiation as they enter these Halls. Then, when the souls are given their individual assignments for instruction and assistance between embodiments, some of these Violet Fire Angels go with them to their places of abode at Inner Levels. While in these Inner Spheres, the Violet Fire Angels often use a very delicate shade of violet so that, as easily as possible, They are able to minister to these individuals without arousing the rebellions and resentments of their inner bodies by too quick or powerful an activity—*even of the Mercy Flame!*

Again, before entering the Gates of Birth, when the soul who desires to re-embody stands before the Great Karmic Board to ask permission to do so, these lovely Angels of Violet Fire stand around the Karmic Halls—circle after circle—tier upon tier—as far as the eye can see! The love and beauty of these Violet Fire Angels is simply beyond description! Here again They provide an atmosphere of mercy and purification to assist the soul who needs Their help.

Especially since the advent of the Seventh Ray to this Planet, whenever and wherever possible, the Angels of Mercy and Compassion go with an incoming soul, going into places, sometimes, which are not too pure. They endeavor to prepare the home and its atmosphere (as well as the parents—as much as they can) for the coming of the infant. At times, such an Angel is permitted to remain with that infant for a while—at least until the time comes when its little mind is disabused (shall we say) of the reality of Angels. When this "shell" of rejection in thought and feeling is thus set up around the child, this beautiful Angel must leave that one and return to the Inner Spheres again!

Angels of Mercy and Compassion are always serving as much as possible in hospitals, mental institutions and foci of mankind's

need and discord. Today, some of these are actually living in the auras of the conscious chelas (those of you who are daily consciously calling forth the Violet Fire—at least six of these glorious Beings stand around every conscious chela who daily calls forth the Violet Fire for purification. These have been with you for quite a few years now!) Such Angels await your daily conscious recognition and calls for Their greater assistance to your use of this merciful Flame of Freedom.

Practical Use of Violet Fire Is So Very Simple!

Beloved ones, the use and activity of the Violet Transmuting Flame here in this physical appearance world, *is so simple!* There is nothing occult (meaning "hidden") about it and it certainly does not require the mind of an Einstein to comprehend it. One is merely required to make the sincere and conscious call in the Name of his own individualized Presence of God "I AM", to these specialized Beings Who have been trained in the invoking and projecting of this Violet Ray and Flame. Such Beings to Whom you have called *instantly* direct that Ray and Flame into this physical appearance world. Then, having called It forth, ONE MUST EXPECT Its raising of discord into harmony as the Violet Flame arises in, through and around that which is to be purified. You have all witnessed transmutation as you light a match and by its flame burn a piece of paper. It is just as simple as that! However, because the physical senses—especially the eyes and ears—do not yet see or hear the physical Flame of Violet Fire, It seems not quite so practical to you AS WE KNOW IT TO BE AND AS IT TRULY IS!

Today We are entering into a New Age. The Priests and Priestesses of the Order of Zadkiel are now not only given opportunity so to do, but they are COMMANDED AND EXPECTED to bring into outer manifestation, visible and tangible to the physical sight, acceptance and use of all, this Violet Flame IN ACTION—RIGHT HERE IN THIS PHYSICAL APPEARANCE WORLD. That is a fiat which came—not from Me—but from the Godhead Itself—your Creator—Whose humble and grateful Servant "I AM"!

Those of you who know of, love and use the Violet Transmuting Flame have a special opportunity now to draw forth from your Causal Bodies all that stored-up knowledge of your use of this transcendent Flame in the past. You see, many of our present Gentle Readers consciously worked with Us on Atlantis in the use of this Violet Flame there, at the time when the contagion of the laggards' shadows entered into the consciousness of the masses of the people. Therefore, those of you who did so work

with Us have special opportunity to more quickly and powerfully call forth Its action now. Then, enjoying Its use *impersonally*—use it upon the just and unjust alike—for no Ray, Flame or Virtue of the Godhead has cognizance of personality, name, stature, race, creed or nationality—according to the outer valuations. That Flame merely acts as does the sunshine—IMPERSONALLY—and It will act INSTANTLY—whenever and wherever It is called forth. May I here remind you that where the shadows are greatest, the Violet Fire IS REQUIRED THE MOST—not so much where someone is peaceful and harmonious for the time being—although that is a good place to practice. However—LET US BE SO PRACTICAL ALL WAYS!

Among the student body drawn together up to this time by Beloved Saint Germain and El Morya, quite naturally there may arise many personal differences of opinions, thoughts and feelings which come from momentums of disagreement in past association—some of these differences concerning methods and types of applications, etc. Now, HERE IS OPPORTUNITY TO MAGNETIZE THE VIOLET FLAME—calling it into action to remove the shadows—FIRST, FROM YOURSELF and then from those with whom you feel a sense of difference. WHAT GOOD IS ALL THE BEAUTY, FORGIVING, PURIFYING AND PERFECTING BLESSING OF THIS VIOLET FLAME, IF IT IS NOT USED?

Violet Flame Gains Power Through Rhythmic Use

The Law is that "Energy becomes power through use". Saint Germain told all of you that—long ago. So, the Violet Fire becomes more and more efficacious in your own personal world as you call It daily and rhythmically into action. It becomes more and more efficacious not only for yourselves, but as a tremendous transmuting power for all life—FOR ALL LIFE IS ONE and when one part of life is benefitted, all the rest of life is also benefitted to a certain degree. Of course, when you call forth this Flame, either for yourself or for some other part of life, YOU MUST LET IT ACT IN ALL ITS FORGIVING, PERFECTING SERVICE—making no personal reservations in your mind as to just HOW It should act!

Needless to say, there should not be allowed to remain within anyone that feeling which enjoys seeing some other part of life uncomfortable—just because they have made mistakes. After all, does not the Bible say: *"All have sinned* and come short of the glory of God. . . ."?

You see, there is a certain unfortunate "kink" in human nature which sometimes, when there is the power within an individual to

free another from distress by calling forth this Violet Fire which would transmute that distress and set that person free—the on-looking lifestream enjoys seeing the other suffer and refuses to set into action that impersonal Law. WHERE THE DARKNESS IS GREATEST THE LIGHT IS NEEDED MOST! On a planetary scale today, that Violet Fire is certainly needed in Russia, Siberia, Africa (called the "Dark Continent" for so long) and, in fact—that Mercy Flame is very much needed in, through and around every cell and atom of this dear Planet Itself; as well as being needed in, through and around your own dear personal selves. THERE SHOULD NOT BE EVEN A BREATH OF DIFFERENCE AMONG ANY OF THOSE IN WHOM THAT BELOVED SAINT GERMAIN HAS INVESTED SOME TWENTY YEARS OR MORE OF HIS OWN LIFE—*especially when you all know that the Violet Fire is there*—waiting to be called into action by you to settle those "differences" harmoniously and eternally—IF YOU ARE WILLING TO LET THEM GO!

If you find it difficult to hold your peace and balanced harmonious feeling in the aura of someone whom you may have allowed to disturb your feelings (this condition ofttimes coming about because of past discordant association), you do not have to remain in that one's presence when you call that Violet Flame forth. In fact, I suggest that you do not call It forth *audibly* in such an one's presence. But, THE CALL CAN AND SHOULD BE MADE SILENTLY while in their presence, for the instantaneous manifestation of the Violet Fire to transmute that appearance of discord into loving feelings of peace and harmony.

Beloved ones, if you really love Saint Germain with all your heart instead of just your lips—WHERE THERE IS SHADOW OF DISEASE AND APPEARANCES OF INHARMONY RUNNING RAMPANT—if you will go by yourself (as Jesus suggested) and magnetize that Violet Flame by calling for It to blaze up, in, through and around the person, place, condition or thing in distress—THAT FLAME WILL ANSWER YOU AND GIVE THAT LIFE FREEDOM!

You see, We watch closely the *motive* within the consciousness. Do you know that you are not consciously aware of about sixty per cent of your own motives, nor of your *real* feelings? However, honest, daily introspection of your own consciousness is so essential and a certain amount of purification is absolutely necessary before you could be safely entrusted with these greater powers and activities of Light!

Once that Sacred Fire comes forth visibly and tangibly to the physical sight of all in the world, *just who is going to care for It?*

Can you then go off hither and yon and just leave It? If you do, do you know what will happen? As We said before—without daily rhythmic invocation, that Flame will just etherialize (return to Its Source). *For one hundred years,* the Priests and Pristesses of Lemuria invoked the powers of the Sacred Fire to save their Continent from sinking through cataclysmic activity. *For millions of years did* the patience of Sanat Kumara daily invoke the loving assistance of Almighty God to keep this Planet extant in this Universe.

Protection—Obligation of the Gift

If you want the Gift, you must also accept the obligation of protecting It; the responsibility to sustain It; the balance to remain humble when individuals are grateful for Its presence and help; the poise necessary to handle the energies of those who will want the fruit of the Violet Flame's blessings, but will not be willing to make the necessary endeavors and release the energies which would make them a part of the magnetization of that Flame. The Priests and Priestesses of any Order—of any of the Cosmic Virtues—are always few in number. On Atlantis, We had but a small Order of these—yet a whole Planet benefitted from Their service. People came from the four corners of the Earth to bathe in this purifying essence of Violet Fire. They not only brought themselves but also their families and problems—all to be purified in and by that Flame. Then, when they had received their blessings, they returned to their homes—sometimes without so much as a backward glance or any expression of gratitude! You have the example of this in Jesus' experience of the return of the one leper of the ten who had been healed. So, be prepared for this state of affairs when you begin to handle the masses of the people.

You may personally work many lifetimes through and during that time have magnetized a Virtue. Then you sustain that by your life and your love and that Virtue becomes visible and tangible as a blessing for all to use. People will enjoy Its benediction, even as during this four-day period—all mankind embodied on Earth are enjoying the pressures of Our love and peace (which are the *natural radiation* of Our energies) as We speak to you—although they may not be consciously aware of just where those peaceful feelings come from. However, these same people would not be interested in coming together—week after week, month after month and year after year as you have done—doing the work of magnetizing over and over again, those Flames and Rays which have made this Class possible. Do you see? If you will thoroughly understand this point and get it fully anchored in your conscious-
